Aligned Dental Partners
8429 Lorraine Road #426
Lakewood Ranch
Company Phone: 440-561-0264
https://aligneddentalpartners.com/
Contact: Chris McClure, John McClure, Dr. Alex Giannini
E-mail Contact@aligneddentalpartners.com
Aligned Dental Partners is an innovative dental consulting company. ADP works with emerging DSOs, group practices, and entrepreneurial dentists. Practitioners work with Aligned Dental Partners to develop their platform, increase EBITDA, and drastically grow their company’s value. We help dental companies centralize their non-clinical functions and support the management teams, allowing dentists to focus on patient care.
Aligned Dental Partner’s leadership team has successfully worked with 1,000’s of practices, groups, and DSOs throughout the United States. Our team has been supporting the business of dentistry for over 30 years and has successfully built, operated, and transitioned dentist-owned and dentist-led groups to accomplish their goals while achieving premium valuations.

Patient NEWS, dental marketing, has been working exclusively to help dentists and group practices STAND OUT & grow for over 28 years! Full-service, print & digital, agency you can trust. We understand the needs of groups, and offer flexible, a la carte or packaged solutions for all phases of the patient journey - customized per affiliate. Practice ZEBRA, dental software, provides black and white reporting at the group, region and practice level (from Office to Marketing & Operations Managers, to C-suite). All key performance metrics plus call scoring and call coaching, and marketing results with accurate attribution to the penny patient spend to drive results across the organization. Our clients are 25% ahead of industry recovery - see Jon for a free consultation & market analysis.

Patient Prism LLC
2803 W Busch Blvd, Suite 201
Tampa, FL 33618
Company Phone: 800-381-3638
www.patientprism.com
Contact: Amol Nirgudkar, CEO
E-mail info@patientprism.com
Patient Prism is the only call tracking company that leverages AI (artificial intelligence) and human call coaching validation to deliver new patients directly to your dental practice. Successful practices use Patient Prism to track and analyze new patient calls, identify and schedule high-
value patients, receive alerts and expert call coaching to win back missed new patient opportunities, train team members, and receive real-time intelligence to improve their staffing, patient experience, and practice marketing.
